4-21-24

*O Sovereign LORD, ...Is there any god in heaven or on earth who can perform such great and mighty deeds as you do? - Deuteronomy 3:24 NLT*

*There is none like You among the gods, O Lord, nor are there any works like Yours. - Psalm 86:8 ESV*

## **PRAY FOR THE CHURCH AND ACC**

Ask the Lord to move pastors to talk about the preborn and "their" right to life. Pray they would have the boldness to address this topic and cause people to think about the ramifications of sacrificing innocent blood.

*This is what the LORD says: ... Stop murdering the innocent! - Jeremiah 22:3 NLT*

## **LIFT UP THE AZ LEGISLATURE**

Wednesday, the legislature met to discuss the AZ Supreme Court's decision regarding abortion. The House majority chose not to repeal the law. However, the Senate wants to overturn the ruling. Pray for changed hearts. Ask God to block the Abortion Amendment that "goes too far" from being put on the November ballot.

*And I will give you a new heart, and I will put a new spirit in you. I will take out your stony, stubborn heart and give you a tender, responsive heart. - Ezekiel 36:26 NLT*

## **PETITION FOR ELECTION INTEGRITY**

Pray that Arizona laws will not let illegals vote in Arizona and that valid picture identification will be required by all. Pray for the removal of machines in our election process.

*Those who plant injustice will harvest disaster, and their reign of terror will come to an end. - Proverbs 22:8 NLT*

## **PRAY FOR OUR SCHOOLS**

Lift up teachers that are being asked to teach those things which are outside of the necessary skill sets to further a child's education. Intercede for our Arizona School Superintendent, Tom Horne, that he would not allow library books or programs that are not appropriate for children. Pray that parents would rise up and demand moral values be brought back into the classroom.

*Truthful words stand the test of time, but lies are soon exposed.* - Proverbs 12:19 NLT

## **INTERCEDE FOR OUR TROOPS**

There are roughly one thousand troops being held in Niger because the Biden administration will not allow them to come home and the military junta-controlled government demands them to leave. They are stranded without the necessary supplies of medicine, food, potable water, and basic personal hygiene necessities. Please pray that they will be able to return to active duty here in the U.S. and pray that they will turn to the Lord in the meantime asking Him to supply all their needs and keep them safe.

*Your Father knows exactly what you need even before you ask Him!* - Matthew 6:8 NLT

*Seek the LORD and His strength; seek His presence continually!* - Psalm 105:4 ESV
